

# Jamboree Safeguarding, Health and Welfare

## **SAFEGUARDING**

All safeguarding concerns must be reported directly to the UK HQ Safeguarding Team as soon as possible (always within 24 hours), following the Safeguarding Code of Conduct for Adults (Yellow Card) in line with Policy, Organisation and Rules chapter 2. When reporting to UK HQ Safeguarding Team, please ensure you mention you are at KIJ. In addition TSA guidance states that, concerns should also be reported to the Welfare Team (via JamCom) as the designated event safeguarding lead. Our onsite welfare team is linked in with the UK HQ Safeguarding Team and is equipped to support with most of the Welfare and Safeguarding issues.

## **Safeguarding of adults and young people**

The Scouting's UK Young People First (The Yellow Card) and Girlguiding UK's A Safe Space code of good practice must be adhered to during the Jamboree. All adults at the Jamboree have a responsibility to ensure that:

- Their behaviour is always appropriate
- They observe the rules established for the safety and security of the young people.
- They follow procedures following suspicion, disclosure or allegation of child abuse
- They recognise the position of trust in which they have been placed.
- In every respect, the relationships they form with the young people in their care are appropriate.
- The welfare of all young people is safeguarded.
- They avoid compromising situations or opportunities for misunderstandings or allegations.

The code of practice summarised above is there to protect both young people and adults so that all can experience the Jamboree in the most positive way possible. If you wish to discuss any aspect of safeguarding policies, please contact the UK Safeguarding team or a member of the Jamboree Welfare Team.

## MEDICAL SUPPORT

We will have a full medical team on-site, including paramedics, nurses, and Consultant Practitioners, along with all the necessary medical equipment and medications available throughout the duration of the live event. **This cover is provided by ScoutMed a National Support Unit.**

### Medical Locations

The primary medical location is in the Astor Pavilion; this is clearly signed. It is open to walk in 08.00 to 22.00

There is a smaller provision located in the Arena, which will open during activity hours.

### Medical Treatment

Each Group/Unit camping is to bring its own First Aid Kit which must have sufficient supplies for the duration of the camp. If you are unsure what you should bring, please contact your Subcamp team.

In the first instance, First Aid incidents should be reported to and dealt with by your group leader, Subcamp leader or activity staff.

If further assistance is required or if you have any concerns about the health of a participant, please call JamCom or visit ScoutMed at the main medical centre or the activities outpost.

## WELFARE

Sub Camp staffed are equipped to support with lower-level wellbeing issues.

There is a central welfare team will be providing support 24/7 to all adults and young people on site. They are located near the Clive Emson building and is clearly signposted.

**They can also be contacted by JamCom on 0300 30 21 999.**
